## **SHARED NUMBERS...**

### **Memorial Program: Down Memory Lane From the papers of Maryanne Stone of Manchester Grange**

Master: Let us take time from our labors to pay tribute to our Brothers and Sisters who have preceded us to a newer and better home above.

Chaplain: It is fitting that we take this time to pay tribute to the memory of our fellow members who, having finished their labors here, have laid down their implements on earth and entered the paradise not made with hands, eternal in the heavens. In our loss, let us remember that all teachings of Nature are our assurance, and the promise of our Master above is our refuge: "Because I live, you shall also live "

Song: Abide With Me, Verses 1 and 4 #90

Poem: Tribute to Our Friends by Helen Steiner Rice (adaptation)

They will live in the hearts of friends they made  
and be known always for the foundation they laid  
Because goodness and fairness never die --  
they go shining on like sun in the sky  
just as honor and truth endure forever  
death is powerless to destroy or to sever ...  
so their gallant souls have taken flight  
into a land where there is no night,  
they are not dead ,they have only gone on  
to a brighter more wonderful dawn .

Master: The Assistant Stewards will please escort the Graces and our Chaplain to aid in decorating our altar.

Lecturer: Flowers are fragrant reminders of God's mercy and goodness. Their beautiful colors console us in time of sorrow and strengthen our belief in a land of eternal spring and never fading flowers. At this time, led by Worthy Flora, we place a floral tribute in the basket before our altar to honor the memory of our Brothers and Sisters who have passed on before us.

[Flora, Ceres, Pomona, Chaplain place flowers in basket]

Chaplain: Eternal Father, Master of us all, we thank Thee for the living memory of our brothers and sisters who have left our sacred circle to enter the Great Grange above. We know that our order is richer, and the world is richer, because they have lived and labored among us. Make us forever grateful for the heritage that is ours and let us be worthy to carry on the work of our Order ...we ask in the name of the one who taught us to pray: [the Lord's Prayer]

Lecturer: God is a Shepherd and His people the sheep of His pasture. It is our sacred charge to keep in safety those within the fold and to reclaim the wandering. God, in His infinite wisdom, has seen fit to remove some of his sheep from our flock. While it is our loss, it is but their gain. Those Husbandmen and Matrons aspired after a higher and broader knowledge and are now living in the warmth of His great love and care. We will now present the 23rd psalm with candles.

Reader 1: {light tall white candle}  
The Lord is my Shepherd, I shall not want.

Lecturer: How dark this world would be if this light should go out or dim. The light shines in the darkness and the darkness has not overcome it.

Reader 2: {light green candle}  
He maketh me to lie down in green pastures. He restoreth my soul.

Lecturer: Green is the everlasting color. The name of God is everlasting. It will endure forever.

Reader 3: {light blue candle}  
He leadeth me in the paths of righteousness for His name's sake.

Lecturer: Blue represents truth. God is beyond the blue but from his throne above, He is watching over us.

Reader 4: {light purple candle}  
Yea though I walk through the Valley of the shadow of death, I will fear no evil for thou art with me. Thy rod and thy staff, they will comfort me.

Lecturer: Purple is the royal color. The robes of the King are purple; white represents the white throne, the seat of God's power. Evil thoughts are seeds from which black fruits of sin are raised. So we should keep our thoughts pure and white and we will not do evil things.

Reader 5: {light yellow candle}  
Thou preparest a table before me in the presence of mine enemies. Thou annointest my head with oil. My Cup runneth over.

Lecturer: Yellow represents the bread of life which is His Son. Trust God, work honestly and thou will be fed.

Reader 6: {light orange candle}  
Surely goodness and mercy shall follow me all the days of my life and I shall dwell in the house of the Lord forever.

Lecturer: Orange represents the glory of God as it is the most dominant color in the sunset. The great painters of the Middle Ages represented the flame of the burning bush as being orange in color which in their day was understood to stand for Jehovah.

Song: Beyond the Sunset # 57

Chaplain: Benediction:  
And now may the Grace of our Lord, Jesus Christ, and the fellowship and communion of His Holy Spirit be with us and abide with us now and forever more. Amen.

### **Interesting Veterans Statistics off the Vietnam Memorial Wall With Thanks to Enfield Grange**

There are 58,267 names now listed on that polished black wall, including those added in 2010.

The names are arranged in the order in which they were taken from us by date and within each date the names are alphabetized. It is hard to believe it is 61 years since the first casualty.

The first known casualty was Richard B. Fitzgibbon, of North Weymouth, MA listed by the U.S. Department of Defense as having been killed on June 8, 1956. His name is listed on the Wall with that of his son, Marine Corps LCpl Richard B. Fitzgibbon III, who was killed on Sept. 7, 1965.

There are three sets of fathers and sons on the Wall.  
39,996 on the Wall were just 22 or younger.

8,283 were just 19 years old.

The largest age group, 33,103 were 18 years old.

12 soldiers on the Wall were 17 years old.

5 soldiers on the Wall were 16 years old.

One soldier, PFC Dan Bullock was 15 years old.  
997 soldiers were killed on their first day in Vietnam.  
1,448 soldiers were killed on their last day in Vietnam.  
31 sets of brothers are on the Wall.  
54 soldiers attended Thomas Edison High School in Philadelphia. I wonder why so many from one school  
8 Women are on the Wall, Nursing the wounded.  
244 soldiers were awarded the Medal of Honor during the Vietnam War; 153 of them are on the Wall.  
Beallsville, Ohio with a population of 475 lost 6 of her sons.  
West Virginia had the highest casualty rate per capita in the nation.  
There are 711 West Virginians on the Wall.  
The most casualty deaths for a single day was on January 31, 1968 ~ 245 deaths.

The most casualty deaths for a single month was May 1968 - 2,415 casualties were incurred.

The Marines of Morenci - They led some of the scrappiest high school football and basketball teams that the little Arizona copper town of Morenci (pop 5,058) had ever known and cheered. They enjoyed roaring beer busts. In quieter moments, they rode horses along the Coronado Trail, stalked deer in the Apache National Forest. And in the patriotic camaraderie typical of Morenci's mining families, the nine graduates of Morenci High enlisted as a group in the Marine Corps. Their service began on Independence Day, 1966. Only 3 returned home.

The Buddies of Midvale - LeRoy Tafoya, Jimmy Martinez, Tom Gonzales were all boyhood friends and lived on three consecutive streets in Midvale, Utah on Fifth, Sixth and Seventh avenues. They lived only a few yards apart. They played ball at the adjacent sandlot ball field. And they all went to Vietnam. In a span of 16 dark days in late 1967, all three would be killed. LeRoy was killed on Wednesday, Nov. 22, the fourth anniversary of John F. Kennedy's assassination. Jimmy died less than 24 hours later on Thanksgiving Day. Tom was shot dead assaulting the enemy on Dec. 7, Pearl Harbor Remembrance Day.

He would have died that day, but luckily 'root beer floats'.

### **TWO FUN GAMES with Thanks to Ekonk Grange**

**THE CEREAL CHALLENGE ...** Two Volunteers and a table are needed. May is the month when we really enjoy a cold breakfast. You will each have the top of a cereal box that has been cut into eight pieces. The first one to put them together correctly wins.

**LIGHT AS A FEATHER ...** Again two volunteers and a longer table are needed. May is the time for baby chicks to be born. Each player is given a feather. They must move it from the starting line to the other end of the table by blowing on it. (If you have younger members they could do this on the floor.)
